

## 2015 "BOOT CAMP" USER TRAINING SCHEDULE

HORIBA Scientific is dedicated to providing professional training for all users of the LA Series Particle Size Analyzers.

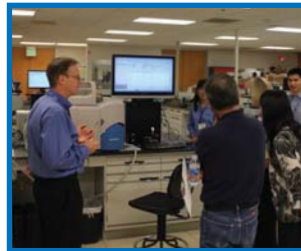

Each two day session includes:

- Expert talks mixed with hands-on instrument training.
- Extended Q & A time with instrument specialists.
- Customer sample measurement (Bring your samples with you or send them ahead of time.)
- Particle measurement concepts.
- Data handling and export.
- System verification and software automation.
- Complimentary lunch.

*Only 10 seats are available for each course, so make your reservation(s) early!*

*The training will begin at 9:00 each morning. For more information, contact [carol.madden@horiba.com](mailto:carol.madden@horiba.com) or 800-446-7422 x 1133*
